# Understanding Our Catalogue

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

## CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L=Large M=Medium S=Small  
XS=Extra Small P=Petite H=Heart  
K=Keepsake T=Tealight

## COLOUR

The colours in each collection are not interchangeable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

## SIZING

The codes/letters also correlate to the dimensions

Eg T:13cm = Tealight is 13cm

These can usually be found under the Collection name, or next to the item name itself. Eg:

- With the collection  
- Large and Keepsake

- With the item name  
- Large - Keepsake - Medium

### THE JOURNEY

L:28cm S:17cm M:22cm (high)

## "Does this hold ashes?"

Unless stated otherwise, all items you see in this catalogue CAN hold at least a nominal amount of cremains.

## Memories

Some items in the catalogue include a package from "Memories". This allows you to use an online platform to create a digital memorial and guestbook, to preserve and share a lifetime of memories at the service and beyond. (Items on pages: 19, 29 & 39).

My Touch

Certain items can be personalised - the process can differ for each item, so please refer to pages 6-7 for details about what each of these different icons symbolise.

# Contents

The items in this booklet have been carefully selected with you in mind, to enable you to select with ease a final resting place for your loved one that closely reflects their individuality; *to help you keep your memories close.*

## A LITTLE ABOUT US - sustainable, fair and quality made.

We are proud to offer an extensive range - full of unique styles and materials - to give people the gift of choice in a time that may be one of the most personal moments of their lifetimes. Every person is unique, and every memorial deserves to be just as special.

You will notice that the items in this catalogue come from all over the world. Many years have gone into sourcing the best producers, innovators and caring people in the industry - some are the largest in the world and some are small family run and Australian based, many are in between. We believe in high quality products, that are made by people who care.

It is important to us that the items we offer are manufactured in the highest standards - in both quality and in the way that its creation effects our planet and the people involved in its production. We are proudly registered with Sedex, in their anti modern slavery network, to ensure that manufacturing is fair and ethical. We are also in the process of assessing and developing our SDG sustainability goals, as we have always had an eye on how we can make our process better for all.

## MEMORIALISE WITH TECH

A modern world gives us access to modern ways to memorialise using technology. There are many ways you can record significant details for safe keeping and sharing.

Included in all passage products (found on pages 46-48)

is a Geo-code that can be used to tag the location of a final resting place, and create a unique Memorial, on the online Etern.Life Memorial Map.

## A legacy

Many choose to memorialise at a memorial park, to create an everlasting legacy of their loved one - a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is also a part of that legacy.

Perhaps at home, in a sentimental or reflective place, or somewhere for family who live far away.

## Grief Resources

The funeral process is just one component of the constant that is grief, ever evolving and popping up in moments throughout life. After the funeral or memorial, it can often be a difficult time, as others return to their lives, while you navigate a new normal. These resources were thoughtfully designed with your unique experience in mind, for you or someone you love to use in whichever way is most helpful, in the days, months and years that follow loss. A continuation of the care you have received so far.
